

HAITI EMERGENCY EARTHQUAKE RESPONSE

The children of Haiti need your help.

With a large load of food and aid already on the ground – arrived just last week - Children's Hunger Fund (CHF) has an established Mercy Network of local churches in Haiti and the Dominican Republic that are now entering the devastated areas to deliver aid with the good news of Christ. But more aid is needed, and we need your help.

With your gift of \$24, we are able to provide Food Paks and other emergency aid to a desperate family in need. Please help us equip local churches to meet the needs of their neighbors and share the life-giving message of the Gospel.

HOW YOU CAN HELP

Go to www.ChildrensHungerFund.org and click on the "DONATE NOW" button. Give \$24 or more and note "HAITI EARTHQUAKE" in the comments section.

CHF qualifies, trains and resources local churches across America and around the world for relational compassion ministry to the poor. With 99% of all revenue going toward programs that meet the needs of children, CHF is known as one of America's most cost-effective charities as noted by Charity Navigator, Ministry Watch and Forbes.com.
